DISCUSSION: The application was denied by the District Director, Portland, Oregon, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The applicant is a native of the Philippines and naturalized citizen of the United States. He seeks to have his original Certificate of Naturalization, which was issued to him on December 7, 1987 corrected under § 338 of the Immigration and Nationality Act (the Act), 8 U.S.C. 1449, to reflect a change of his date of birth from January 30, 1952 to November 30, 1951.

The district director reviewed the applicant's record and determined that applicant's request was not justifiable and denied the application accordingly.

On appeal, the applicant disagrees with that finding.

Section 343 of the Act, 8 U.S.C. 1454, provides the statutory authority regarding the replacement of a Certificate of Naturalization only if the original was lost, mutilated, or destroyed, or if the applicant's name is changed after naturalization by order of the court or by marriage. The regulations at 8 C.F.R. 343a.1, regarding the procedure and grounds for obtaining a replacement Certificate of Naturalization, are quite clear and are not discretionary.

Section 338 of the Act provides the statutory authority relating to the contents of a Certificate of Naturalization.

8 C.F.R. 338.5 contains the specific regulations regarding the execution and issuance of Certificates of Naturalization and provides, in part:

(a) Whenever a Certificate of Naturalization has been delivered which does not conform to the facts shown on the application for naturalization, or a clerical error was made in preparing the certificate, an application for issuance of a corrected certificate, Form N-565, without fee, may be filed by the naturalized person.

(e) The correction will not be deemed to be justified where the naturalized person later alleges that the name or date of birth which the applicant stated to be his or her correct name or date of birth at the time of naturalization was not in fact his or her own name or date of birth at the time of naturalization.

Documents contained in the applicant's record as early as 1980, including a copy of his birth certificate issued on December 11, 1980, reflect that he indicated that his true date of birth was May 1, 1939. He continued to indicate under oath that his correct date of birth was January 30, 1952. He continued to indicate under oath that his correct date of birth was January 30, 1952 on his Application for Adjustment of Status in 1982, on his Application to

File Petition for Naturalization in 1986 and on his Petition for Naturalization in 1987.

The information on the applicant's Certificate of Naturalization in the record conforms to the facts on his application for that document and the certificate does not contain any clerical errors. There are no provisions under §§ 338 or 343 of the Act to justify any corrections on the applicant's Certificate of Naturalization as requested using the present Form N-565 application.

8 C.F.R. 334.16(a) and (b) discuss the general procedures for amending a petition for naturalization during pendency of a petition or application and after final action on a petition or application. Whenever an application is made to the court to amend a petition for naturalization after final action thereon has been taken by the court, a copy of the application shall be served on the district director having administrative jurisdiction over the territory in which the court is located in the manner and within the time provided by the rules of the court in which application is made. When the court orders the petition amended, the clerk of the court shall transmit a copy of the order to the district director for inclusion in the Service file. See INTERP 334.1(1).

A specific application form for this procedure is not stipulated in 8 C.F.R. 334.16(b). Further, O.I. 334.10 specifically states that Form N-410 shall not be used or made available to the naturalized person for the purpose of initiating such an amendment under 8 C.F.R. 334.16(b) subsequent to naturalization. Upon receipt of such a court order, the Service should issue an amended certificate. O.I. 334.11 provides that a copy of any order granting the application shall be placed in the naturalized person's file with the duplicate certificate and the duplicate petition.

Although the applicant has provided documentation to support a request to have his date of birth amended on his Certificate of Naturalization, only the court has the authority to make this change. Therefore, the district director's decision will be affirmed, and the appeal will be dismissed.

This decision is without prejudice to the applicant's submitting his request to a U.S. Federal District Court with jurisdiction in this matter in accordance with regulations at 8 C.F.R. 334.16.

ORDER: The appeal is dismissed.
